Aim

Our service aims to provide a safe and hygienic environment that minimises the risk of a child being harmed by an animal. We also aim to educate children in the proper care of animals.

Implementation

- Children must be closely supervised when accessing any animal or pet at the service.
- Any animal or pet kept at the Service will be regularly fed, cleaned, vaccinated, have flea powder applied to them and be regularly checked for fleas and wormed. Any animal in a cage will have its cage cleaned daily.
- Animal or pets will not be allowed in the sandpit or any other play area. In event that this happens, educators will refer to the Sand Pit Policy.
- Animal or pets will never be taken into the food preparation area nor will they be allowed near the eating or sleeping area.

- Anyone who has handled the animal or pet will immediately wash their hands after they have finished handling the animal or pet.
- Children's animal or pets will only be allowed in the Service when permission has been granted by the Nominated Supervisor. If an animal is brought to the Service when families are collecting children it must be left at the gate far enough way so children cannot touch the animal through the fence.
- It will be included in the program how to properly care for animals and how to treat them appropriately.
